Other subjects

DT

The children will be learning the process of designing, creating and evaluating packaging for chocolate.

Science

As scientists the children will be learning about light and how the eye processes the information it receives. We will also be investigating forces. During our science lessons, we will be learning how to carry out a fair test and which variables we could change.

PSHCE

During the term we will be investigating Fair Trade and how this affects the people involved. We will also be exploring how we live a healthy lifestyle and the key components.

Music

We will be exploring sound, different instrument types and the composition of an orchestra. We will also be composing our own song.

RE

Our topic this term is 'Expressions of Faith'. We will examine different faiths and pilgrimage. We will also be looking at different festivals celebrated by different faiths.

PE

Invasion games such as football, rugby, basketball and uni-hockey will be the focus of the sessions. However, Coach Craig will be also helping to prepare the children for any competitions that we have this year.
