

## **Uniform**

Everyone has come back to school looking incredibly smart in their new uniform. Please can you make sure all items of clothing are named, this helps us return anything that is lost to the owner straight away. PE kits can be left in school all week as each week we will alternate the days in which we do PE.

Please can you provide a spare set of clothes for your child in case of any accidents. We do have a small supply of spare clothes but it is easier for your child if they have their own.

## **Home Time**

Please advise us if someone else is picking up your child either by phoning the office, writing a letter or telling your child's teacher. This helps to avoid unnecessary upset at the end of the day.

## **Illness**

If your child is unwell and unable to come to school, please inform the office.

Thank you for your support over the last week. We believe that communication is key to your child's success and a great teacher and parent/carer relationship. Please don't hesitate to contact a member of the school if you have any questions or concerns.

## **School Information**

Morning session: 9:00-12:00 doors open at 8:45

Afternoon Session: 12:30-3:30

Head of school: Mrs Grant

Team 1: Mrs Wrightson, Mrs Loney, Mrs Smith

Lunchtime supervisors: Mrs Smith, Mrs Mcleary,  
Mrs Walker

Welcome to Team One. I hope you have all had a great summer! The children have all settled into the school routine and made a great start to the new school year, I am impressed with how well they have all adapted into the school routines.

This year Mrs. Loney and myself will be working with the foundation children. We are both really excited about it and look forward to working with your children over the year. Mrs. Smith will be coming in to support the children and she will be working with Mrs. Loney on a Friday.

This term our topic is “All About Me” we shall start with a focus upon ‘The Gingerbread Man’ and make our very own gingerbread men to taste - I hope they don’t run away! We have made a great start this week and cannot wait to see how our topic evolves.

### **All about me**

Please add to your child's ‘all about me’ board in the cloakroom. This can be a picture they have completed photographs or certificates from home. We love to see what they have been doing outside of school.

### **Achievement**

At Siggleshorne Church of England Primary Academy we want to celebrate all our pupils achievements, both in and out of school. Please encourage your child to share all of their out of school achievements with us. This could be in the form of a swimming certificate, achievement award for any sporting or dance activity, or anything else that they have had success with outside of school. This can then be displayed on our “All About Me” board within the foundation area.

We hold a celebration assembly every Friday at 9:10, where children are rewarded for good work and achievement. Please come along.

### **Behaviour System**

The whole school operates the same behaviour system. Please see our school behaviour policy for more details.

### **Early Excellence**

The parent portal for Early Excellence will be open around October time. More information to follow.
