

## **Arrangements for Admission Appeals**

### **1 Introduction**

- 1.1 All admission appeals will be conducted in accordance with the relevant legislation and with the Secretary of State's School Admission Appeals Code.
- 1.2 All school admission authorities have to make arrangements for applicants to appeal against admissions decisions.

### **2 School Admission Appeals by Parents**

- 2.1 Applicants refused a place at the academy for their child normally have the right to make an appeal against the decision to refuse admission.
- 2.2 Admission appeals are heard by independent admission appeal panels. Appeals against admission decisions by the academy trust will be conducted by the East Riding of Yorkshire Council in accordance with the service agreement the academy trust has with the local authority.
- 2.3 Applicants will normally only be able to appeal once against the decision to refuse their application for admission to a given academic year. Further appeals for admission to the same academic year will only be authorised if the appellant can show that there has been a subsequent significant change in their circumstances which materially affects their case for a place at the school, or if new information comes to light which was not previously available and which materially affects the appellant's case for a place at the academy.
