With God's love, we learn hand in hand

Sigglesthorpe is a Voluntary Controlled, Church of England Primary School offering a comprehensive Christian primary education to families in the East Riding. The School is a caring community built on Christian values and beliefs, which permeate all aspects of School life. The curriculum, including the National Curriculum, is presented within a Christian world view. Such a world view gives perspective and meaning to all learning at Sigglesthorpe.

We seek to foster the belief that We all belong to God and with his love, we learn hand in hand as a community. With truth and perseverance we follow His example to be the best that we can be as unique individuals.

Our aim is that all children reach their full potential, not just academically, but also spiritually, physically, socially, and aesthetically. This is the context in which this policy is written.

This policy was written in the Autumn Term 2022. It will be reviewed again in the Autumn Term 2025 or earlier if necessary.

School Aims

At Sigglesthorpe Church of England (VC) Primary Academy we aim to nurture and inspire our children to ensure they:

- Strive for excellence
- Belong to God and the community
- Have the best opportunities for all
- Show respect for everyone

We do this through:

- An engaging curriculum
- Threading strong Christian values of *Community, Truth and Perseverance*
- Working in partnership with families
- Having high expectations for all
- Working closely with the local and wider community

The Legal Position of R.E. In Our School

Every maintained school in England must provide a basic curriculum which includes provision for RE for all registered pupils at the school, except for those withdrawn by their parents in

accordance with *Schedule 19 to the School Standards and Framework Act 1998*. All pupils are entitled to receive RE as part of a broad and balanced curriculum at school which promotes their spiritual, moral, social and cultural development. RE is provided as part of the school's basic curriculum, following the locally agreed syllabus (**AGREED SYLLABUS FOR RE - HUMBER REGION 2022**). Schools must ensure that a sufficient amount of time is given to the teaching of RE to fulfil the requirements of the locally agreed syllabus (SACRE recommends a minimum of 14 hours each term). As a voluntary controlled school, Christianity is the principal religion taught in our school with other religions and their values addressed. An annual report should be given to parents or carers giving brief particulars of progress and achievements in all subjects including RE.

Rationale

The school will offer a caring, Christian, supportive and disciplined framework to enable the children to achieve their potential from the provision provided. This will be in line with the fundamentals of the British values.

Intent

We aim for our children to

- ❖ develop their sense of identity and belonging, so that they can live well and flourish in a multi-cultural and diverse society
- ❖ acquire knowledge and understanding of Christianity and other world views and religions represented in Great Britain and around the world
- ❖ ask challenging questions around faith, belief and issues of right and wrong
- ❖ enrich their appreciation of others, challenge prejudice and respect differing lifestyles, cultures and faiths.

Implementation

Our curriculum is planned and sequenced following the requirements and guidelines of the East Riding Agreed Syllabus. We supplement this syllabus with the Understanding Christianity resource.

Children focus on the following religious world views in order to gain a depth of knowledge:

- ❖ EYFS - stories from other religious and non-religious world views
- ❖ Key Stage One - Christianity and Judaism
- ❖ Key Stage Two - Christianity, Judaism and Islam.

We also focus on the non - religious world views.

Our RE classrooms are a place that allow pupils to discuss and reflect on their belief and teaches them to be able to agree and disagree well.

Children are assessed at the end of each unit with a view to ensuring children achieve the

key knowledge for each unit.

Enrichment Opportunities

Where possible, children should experience first-hand what they learn about in the classroom. Visitors to the school to enhance RE teaching and learning are strongly encouraged. Teachers are encouraged to organise out-of-school visits for the children to enhance their learning, particularly to places of worship. **St Lawrence's Church** is a valuable resource for the teaching of RE and children will spend time in the church learning about the Christian tradition. 'Virtual' visits to places of worship are also available on www.request.org.uk.

Impact on Learning

In Foundation Stage, evidence of the children's understanding is recorded on ipads via Tapestry. The teacher uses the information to make judgements as to whether the child is making expected progress.

In Years 1, 2, 3, 4, 5, and 6 the key assessment objectives are identified in each unit of work. The teacher makes judgements about a child's level of attainment through discussion with the child and the work produced in their R.E. book and recorded using SeeSaw. This work will include a range of activities such as drama, art and music. The class teacher records key learning observations on short term plans. At the end of a unit of work the teacher notes any children who have NOT met the key learning for that unit of work.

Teachers will employ *Assessment for Learning* techniques throughout their teaching of RE to enable the children to make good progress.

Expectations

At the end of Foundation Stage,

Children are expected to achieve the Early Learning Goal for -

- Communication & language
- Physical development
- Personal, social & emotional development
- Literacy
- Mathematics
- Understanding the world
- Expressive arts & design

KS1 and KS2

At the end of each unit, all children will be expected to have reached a secure level of understanding.
