

Run 200m every day
in May and together
we'll have...

Join in to stay active and keep fit!

You can, of course, run – or walk or cycle or wheel – more than 200 metres a day if you want to. Or you can save it up for extra-long weekly runs. You can run laps of your garden or outside during your daily exercise. If you are in a position where you can donate, we'd like to raise funds through sponsorship for charities which support the NHS.
