

The summer holidays are nearly here and with this in mind we are thinking about your FSM vouchers over this period.

The final vouchers from the current system will be issued on Friday 17th July and this will cover meals for week commencing 13th July.

The Government has advised that we cannot use this system over the summer and we have therefore ordered your vouchers through Edenred. A user guide is attached for your information.

The vouchers will be issued in three amounts on the dates below. You will receive an email from Edenred on each of these dates which will contain a 16 digit code. Follow the 'redeem your ecode' button in the email and enter the code number and select the supermarket of your choice.

- The dates the emails will be sent are:- Friday 17th July, Friday 31st July and Friday 14th August
- The supermarkets that you can choose from are:-
 - Morrisons • Tesco • Sainsbury's • Asda • Waitrose (John Lewis) • M&S food • Aldi • McColl's (including RS McColl's and Martin's) • Iceland • Company Shop Group
- Families will receive a combined amount rather than a voucher for each child.
- The email will contain the amount to be claimed.

The user guide contains step by step instructions. The first voucher has been ordered to arrive on the last day of term so hopefully any issues can be resolved before the school closes for the summer. There is a help link within the guide. If you continue to experience issues over the summer please contact the Ebor Academy Trust Central Services Team on 01904 553404.

Stay safe over the summer and we look forward to seeing you all in September.

Kind regards

Mrs Conlon
