

6th July 2020

Dear Parents/Carers,

I hope that you are keeping safe and well as we approach the end of the school year. As a staff, we are grateful for the support you have shown the school over the last few difficult months and we are looking forward to welcoming all our children back in September. We will continue to follow guidance received from the Government and will keep you updated.

Following the current guidance for September 2020, the classes at Sigglesothorne will be as follows:

EYFS/Year 1 - Mrs Wrightson and Mrs Loney
Year 2/3 - Mrs Owens
Year 4/5/6 - Mrs Prosser

We are aware that the class structure has changed from last year. Having looked at the number of children on roll for the next academic year, we have put considerable thought into making the class sizes as even as possible to allow each child to receive the best education.

Due to the current circumstances, where children will have missed several months of education before the return in September, we feel that it will be beneficial for children to continue, as much as possible, with their current teacher. This will alleviate any worries and concerns that children may have. It will also allow us to address any gaps in learning quickly and efficiently as the children and teachers already enjoy a constructive working relationship.

It is with sadness that at the end of this academic year, we will be saying goodbye to Mrs Smith and Mrs Gibson who have been part of our Sigglesothorne family. Mrs Smith has spent her year teaching Team 3. The children will miss her greatly and we thank her for all the hard work and commitment she has invested in our school.

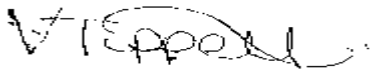

Mrs Gibson has been an integral part of the Sigglesothorne family. She has helped children learn and grow both educationally and emotionally and has invested in the children in her care. We will have fond memories of all she has

done, in particular her artistic contribution to the Team 4 school play. I am sure you will join us in wishing Mrs Smith and Mrs Gibson every success in the future.

We realise that there has been a great deal of upheaval in everyone's lives over the last few months and we shall work together, as our own Sigglesthorne school community, to make everything as normal as possible upon our return. We thank you for your patience and your support throughout this period and we look forward to seeing you all again in September.

Yours faithfully

Mrs V. Tippett
Head of School
