

Dear Parent/Carer

Year 6 Open Evening – 6.30pm, Thursday 8th October 2020

I am delighted to invite you and your son/daughter to the first event of our 2020/21 transition calendar; our Year 6 Virtual Open Evening. If you have not already registered your interest for this event please do so by visiting the following link; <https://tinyurl.com/y2npa4pf>. **You will be emailed a link to join the Virtual Open Evening on Thursday 8th October, around 10 minutes prior to the 6.30pm start time. The event will take place live on YouTube.**

Our Year 6 Open Evening would normally be held on school site and would give you and your child an opportunity to look around our school and see for yourself the remarkable things that happen at HSLC. You would participate in subject taster sessions, listen to Y7 student speakers describing their school transition experience and meet the transition team. Unfortunately this year we are unable to invite you to our school in person but we would still love for you to see some of the fantastic things that happen at HSLC in a 'Virtual' format.

Our Virtual Open Evening will consist of a welcome from myself, Steve Ostler, Headteacher, as well as an overview of the curriculum from Rob Lewchenko, Deputy Headteacher. You will watch a video demonstrating a week in the life of our current Year 7 students before meeting our transition team through a series of welcome videos. Following this, Mr Lewchenko and myself will host a Live Q&A session.

To submit a question for the Q&A segment, or to view and 'like' questions that others have submitted already, please use one of the following methods...

We understand that the transition from Primary to Secondary School can be a very daunting time for both you and your child, and here at HSLC we want to do everything we can to ease your worries as a parent/carers and to make our new students quickly feel part of 'Team Hornsea'. Our Open Evening therefore marks the start of a range of transition events that will be held throughout the year. Our transition calendar includes a Family Learning Day, Science morning, Meet the Tutor evening and an individual appointment with a member of the Senior

Leadership Team and of course a full transition day. I am very proud to confirm that despite the closure of schools during the last academic year, all of these events still managed to take place in a 'virtual' format for our current Year 7 students. We will endeavour to achieve the same this year, if on site events are unable to take place.

We have a Year 7 Transition and Guidance Co-ordinator, Mr Wilson, who is dedicated to providing information and support to our new Year 7 students by working closely with our feeder primary schools throughout the year and then with students during their first year at HSLC. If you have any questions throughout the transition process then please contact Mr Wilson by email; wilsonp@hslc.co.uk.

Please click on the following link, which will take you to our Year 6 Prospectus; <https://tinyurl.com/yy6h4eyt>. In here you will find details about all aspects of school life at HSLC.

We look forward to welcoming you and your son/daughter to our Virtual Open Evening and hope you feel confident that HSLC can fully meet the needs of your child and their future education.

Yours sincerely,

Mr S Ostler
Headteacher
