

With God's love, we learn hand in hand

Dear Parents and Carers,

This week I would like to start by saying how impressed all the staff have been by the way children and families have adapted to learning at home. I would like to stress that every child learns differently and each family will have their own way of adapting to home learning. Please be reassured that there is no 'right way' and we appreciate everything you do to support your child's learning. Our staff are here to support you every step of the way and do message or call us if you need to ask any questions, no matter how small.

It is our ambition at Sigglesothorne Church of England Primary Academy, to facilitate a blended learning approach. We have worked incredibly hard to ensure that our teachers are able to deliver a high-quality remote learning offer. Children will be able to access this offer whilst working at home or under the supervision of school staff. This means that, irrespective of how your child is learning, they will not be at a disadvantage.

As part of our efforts to safeguard and protect all our children, we must have contact with every child or parent at least once per week. This can be online or by telephone and we will be regularly calling families to offer support with home-learning and to keep contact with our children.

Each week I would like to celebrate the work and effort of our pupils, as we would in our weekly Friday Celebration Assembly. I will include a piece of work from each class in the newsletter every fortnight and there will be a certificate in the post for that child.

In order to ensure that our school remains a safe learning environment for our children and colleagues, we must all work together and do what we can to support each other. During these difficult times, I hope that we can maintain our core Christian values in terms of treating each other and our community with kindness.

Yours Faithfully

A handwritten signature in black ink that reads 'J. Marsden'.

This week's Special mentions are:

Mrs Wrightson's Class:

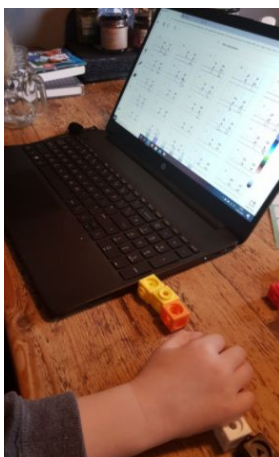

Mrs Wrightson's special mention goes to Ruby. This week the children were asked to recreate the front cover of our class story. Ruby has shown perseverance.

This is what Ruby's mum said.

"Ruby wanted to have a go at what mummy does so we decided to do a fabric picture based on the Leaf book cover. Ruby drew out her design then chose the fabrics to match the colours. I helped cut out some leaves and I started off and finished each thread and helped untangle knots etc. Ruby spent several hours on this over the past couple of days and really tried her best to listen and be careful with the needle and wanted to carry on even when I was tired. She is very proud of her fabric picture and wants to keep it forever."

Mrs Owen's Class: Mrs Owens would like to give a special mention to Rupert for working so hard and persevering with his maths this week! Keep up the hard work.

CHALLENGE:

There are 3 teddies in a box.
The brown teddy is 15 cm taller than the yellow teddy.
The yellow teddy is 3 cm shorter than the pink teddy.
The pink teddy is 42 cm tall.
How tall are the brown and yellow teddies?

42cm

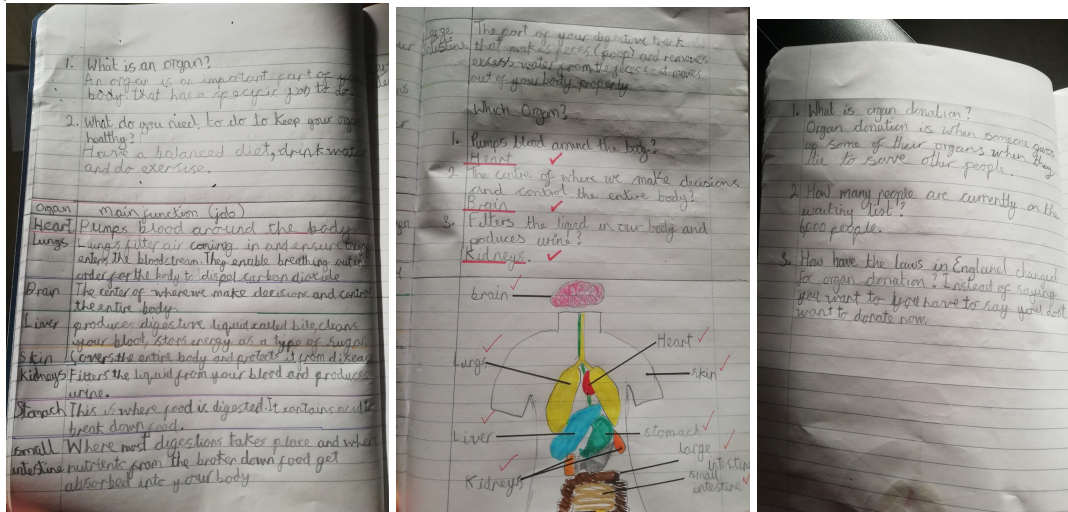

54cm 39cm

$$\begin{array}{r} 39 \\ - 3 \\ \hline 36 \end{array}$$

$$\begin{array}{r} 39 \\ + 15 \\ \hline 54 \end{array}$$

Mrs Prosser's Class: Mrs Prosser would like to give a special mention to Noah for always doing his best to be his best by driving his learning, and a mention to mum too for her wonderful body percussion.

Well done for all your hard-work this week - look out for your certificate in the post!
