

Communication & Language

We will be developing a safe space so our children feel confident to express themselves. We will be developing our listening skills and learning to follow simple instructions.

Welcome

We have a very busy and exciting term ahead! As part of our theme 'Marvellous Me' we will be looking at ourselves, our family, what we are good at, people who help us and keeping ourselves healthy and safe. We look forward to sharing our learning with you.

Understanding the World

We will begin to think about our families and the lives of the people around us. We will be exploring our local environment and looking for signs of autumn. Every Tuesday afternoon we will be going to Forest School.

Personal, Social, Emotional Development

We will be helping our children to settle in, learn names and form friendships. We will encourage our children to try new activities, take turns and select and use resources independently.

Hoglets

Autumn Term

What Makes Me Marvellous?

Maths

We will be playing with lots of loose parts to make patterns, sorting and matching. Completing inset jigsaws and comparing sizes.

Physical Development

We will be developing our gross motor skills by navigating around our space safely. We will be developing our fine motor skills by engaging in finger gym activities and using malleable materials.

Expressive Art & Design

We will be learning how to safely explore a range of tools and experimenting with colour. We will also be inventing our own stories with our friends and acting them out. We will learn new songs and play percussion instruments.

Literacy

In literacy we will be listening and retelling stories every day. We will be learning to handle books with care and turn pages. We will be providing lots of opportunities for our children to mark make with a variety of resources.
