2. School Priorities	
Priorities	Desired Outcomes
1: To develop teachers' expertise in planning and delivering high quality PE lessons that engage pupils and develop their skills.	Teaching is effectively planned to target all pupils' abilities and build on their start points. Lessons are engaging and teaching evidences a strong subject knowledge to provide high quality sports teaching. All teaching of PE is considered good or better.
2: To continue to extend the range of activities pupils can engage in at unstructured/extra-curricular parts of the school day in order to develop a willingness to engage in and increase physical activity thus developing a healthier and more active lifestyle.	Increased engagement in clubs and extra-curricular sports competitions. Achievement of half an hour of physical activity every day. Building healthy sustainable activities into the curriculum. Raising aspirations and knowledge of personal health and fitness. Enabling children to access active lifestyle choices outside of school.
3: To develop pupils' awareness of and participation in a range of sports and physical activities, including participation in extra-curricular competitions.	Children have experienced competitive games and can apply taught skills from lessons to competitions within the cluster group. Children are given the opportunity to experience an engaging sporting event to inspire them to continue and pursue sports in their wider life outside of school.
4. To resource all aspects of the PE curriculum and the wider curriculum to create an active school across the curriculum.	Equipment is of a high standard to deliver all aspects of the sports curriculum. Playtimes are resourced to ensure high activity and physical play.
5. To undertake additional swimming provision for children who need follow up intensive lessons to reach the targeted swimming standards.	All pupils (as appropriate with SEN barriers) meet the required swimming standard by Y6.
6. To provide a forest school experience for all children at Sigglesthorne.	All pupils will access regular forest school sessions. Children will have increased active learning time. Resilience, problem solving, teamwork and communications skills will be observably improved.
