

## Summer Term- Hedgehogs Newsletter

April 2024

Welcome back to the final term of the academic year. Where has the year gone? We hope you all had a wonderful Easter Break.

This term our topic is 'Who are the Pirates?' and we are really looking forward to seeing where the children take us with their learning.

We are starting off our topic by thinking all about farms. This is following on from our trip this week. We are going to be thinking and learning all about sheep. The children have already started writing their very own sheep fact file. So prepared to be blown away with all of their knowledge.

Please see our attached knowledge organiser which gives a wonderful overview of the learning that will take place this term.

We shall continue to post our weekly learning on Tapestry so please do take a look at all the amazing things that we get up to in class each week. It's lovely to share this with your child so that they can tell you about everything as well. **It is very important that you access Tapestry regularly and check the memos in order to keep up to date with information and messages.**

### **Important information about this term:**

- Please can all children have a **PE kit** in school all week. On occasion we need to swap PE days so it's always handy to have it in each day. This is to include a pair of **trainers or sand shoes and socks.**
- As we get into the summer months, we need the children to arrive with **sun cream** already applied, a bottle of **named sun cream** to reapply throughout the day and a **named sun hat.** The children do love to be outside.
- Any problems regarding anything to do with your child. Please speak directly to Mrs Wrightson, Mrs Loney or Miss Amie. We are getting an increased number of parents who are going to ask the office questions that they are unable to answer. It is much more efficient to speak to one of the team- we are really happy to help. :)

Thank you for your continued support,

Team Hedgehog
