**Our Weekly Music Teaching Offer**

**Every child receives 1 hour of Music teaching a week in our school - it is a spiral, multi-sensory and well sequenced curriculum designed for Sigglesythorne's needs. All pupils** - attend our daily **whole-school music worship** which includes Listening and Singing.

- **EYFS pupils** - receive a 20 minute music lesson (bespoke Sigglesythorne curriculum) with our teaching and learning team on traditional rhyme and song with lots of opportunities to explore instruments, sing and perform.
- **KS1 pupils** - receive a 45 min Music lesson from our teaching and learning team. This is using our bespoke curriculum, Jolly Music plus a range of untuned percussion with singing, composing and music games.
- **KS2 pupils** - receive a 45 min Music lesson with our teaching and learning team, Children explore all musical dimensions and have opportunities to play instruments including recorder and untuned and tuned percussion. All classes do listening (using the MMC), performing, composing & singing too).

**Our Music Assemblies**

Delivered by our staff team all of our pupils access daily 20 minutes worship with an additional focus on 'Singing and listening'. Children listen to music from a range of genres, time periods and locations all around the world (adapted from the Model Music Curriculum). We use this as time to come together and sing. We also use the time to help our children prepare for our calendar of performances events. SEND we aim to make our provision accessible to all.

**Playing instruments**

**All of our KS2 children have the option to choose and learn to play an instrument with specialist peripatetic teachers from East Riding Music Service for strings, piano/keyboard.**

***"Every Child is a Music Maker"***
