

Communication & Language

We will be developing a safe space so that our children feel confident to express themselves and join in with group discussions. We will use the Talk through Stories program to promote oracy skills and develop new vocabulary.

Hoglets
Autumn Term 2025

WHAT MAKES ME MARVELLOUS?

People who help us

Understanding the World

We will be learning about the lives of the people around us and exploring our local environment. We will be looking for signs of autumn and Forest School will be on a Monday afternoon. This term will be focusing on the Christian values of generosity and compassion.

Personal, Social, Emotional Development

We will be helping our children to settle in, learn names and form strong friendships. They will be learning to use the Zones of Regulation to develop their understanding of emotions and behaviour.

Welcome

We have a very busy and exciting term ahead! As part of our theme 'Marvellous Me' we will be looking at ourselves, our family, what we are good at, people who help us and keeping ourselves healthy and safe. We look forward to sharing our learning with you.

Maths

In maths we will be learning to subitise amounts to 3. We will sing number rhymes, sort, compare and create patterns. Explore and build with shapes.

Physical Development

We will be developing our gross motor skills by navigating around our outdoor space safely. Riding bikes, climbing and balancing. We will be developing our fine motor skills and pencil grip by engaging in lots of finger gym activities and dough disco.

Expressive Art & Design

We will be learning how to safely explore a range of tools and techniques, and experimenting with colour to create our own designs. We will use percussion instruments and learn lots of new songs.

Literacy

We will start the term learning all about ourselves and what makes us Marvellous Me's before moving on to the story of 'The Jolly Postman.' We will provide lots of opportunities for our children to mark make and have our daily phase one phonics sessions.
