

With God's love, we learn hand in hand

Friday 24th October 2025,

Dear Parents and Carers,

It has been a fantastic start to our school year, welcoming all of our children back to school and settling into our new class routines. There have been several key events to celebrate.

Peat Rigg

The school year started with our Y5/6 children going on an adventure to North Yorkshire for their outdoor adventurous activities break to Peat Rigg. During the three day visit the children took part in a range of activities such as ziplining, abseiling, team games and caving. It was fantastic to see our older children (who visited last year) guiding and supporting the Year 5 children. The visit also built the camaraderie and confidence of the class ready for the new academic year.

Harvest Festival

Our Christian Value this half-term is generosity and we were very pleased to be able to support East Yorkshire Foodbank with a large donation of food items following the service. Children led the service brilliantly and sang a mixture of new songs and old favorites to celebrate all the hard work in producing the food we eat. As a rural community this event is an important part of our school life and important to show our support to those who work hard all year round in growing and preparing our food.

On Your Marks - World Mental Health Day

Children in KS2 were treated to a performance by a local theatre group to discuss the importance of understanding their feelings and those of others. It was delivered during Mental Health Week and linked to learning that children have done through our work on Zones of Regulation.

Lions Roar Project

Year 5 & 6 participated again this year in the Lion's Roar Project. They created a world saving idea, built a prototype, created a poster, presentation and a jingle to launch their idea. The teams then presented to a selection of Hornsea 'Lions' who judged the competition. The winner then presents at the regional final in November. We wish all our teams the best of luck in the next stage of the competition and we look forward to sharing the results in our celebration worship in December.

Yoga

Children in Foxes and Badgers have been developing their yoga skills with Miss Butterill this half-term. The sessions have given an opportunity for children and staff to develop their own skills in finding calm in our busy world. It was also great to see Miss Butterill share these techniques with several parents, therefore allowing parents to be able to share this with their children at home.

Inter-School Sports Events

We have had several sporting events this half-term, including girls' football and cross country. Children represented the school brilliantly and the children gave 100% effort. Two children progressed to the area cross-country finals and we are incredibly proud of them - well done Eliza-Mae and Annie!

New Addition

Mrs Harrison would like to share with our families that baby Oscar has arrived safely and the family are enjoying spending time together. We all send our best wishes to the family and hope to meet baby Oscar in school soon!

Eden Camp

In order to develop our children's understanding of life during World War Two, the children in KS2 visited Eden Camp on Thursday 23rd October. This is an important part of our history learning as it gives the children an opportunity to see primary sources, watch videos and consider how it may have felt for children being evacuated during the war. The children looked fantastic as they set off on their journey dressed as evacuees.

Good Luck Mrs Owens

On Friday we will all be sad to wave Mrs Owens off on her maternity leave. What will we do without her?! Even though we will miss Mrs Owens lots and lots, we are all looking forward to meeting baby Owens very soon and hearing about her new adventure as a Mummy. Please come back and visit us with baby Owens and our favorite dog, Chester.

Welcome Mrs Fleming

Mrs Fleming will be joining our team as the Squirrels class teacher during Mrs Owens' maternity leave, I am sure you will give her a warm Sigglesborne welcome.

Staffing Update

After half term Mrs Wrightson will be taking the reins as Assistant Headteacher, SENDCo and Deputy Safeguarding Lead. She will be full time and is looking forward to her new roles.

Key Dates for your diary

Next half-term there are lots of opportunities to visit us in school and we have planned an exciting range of learning for our children.

Remembrance Service - Tuesday 11th November St Lawrence's Church 10.45am

Children will be visiting the memorials at our local churches to mark this day and pay respects to those members of the armed forces involved in past or current conflicts around the world. You are welcome to join us.

Hindu Experience Day - Wednesday 12th November at Sigglesthorne

As part of our children's Religious Education, we have invited a visitor to support our staff in delivering a Hindu experience day. Children from both schools will take part in a range of activities to enhance their knowledge and understanding of Hindu culture. (Please see letter to provide more information regarding the day).

Other Key Dates for your diary

13th November - Children in Need - pjs / snuggly clothes
13th November - PTFA Movie Night
14th November - School closed for staff training
17th November - Individual photos
